Education

- Bangladesh University of Professionals**
M.SC. in Information & Communication Engineering
2024 - Current
Enrolled (CGPA: 3.83)
- Bangladesh University of Professionals**
B.SC. in Information & Communication Engineering
2020 - 2024
CGPA: 3.65
- National Ideal College**
Higher Secondary Certificate
2019
GPA: 5.00
 - Science
- Rampura Ekramunnesa Girls' High School**
Secondary School Certificate
2017
GPA: 5.00
 - Science

Research Interest

Application of Machine Learning and Deep Learning in Biomedical and Cyber Security

Professional Experience

Intern, Web & Software Department, Creative IT Institute December 2022

Key Responsibilities:

- Built an AI chatbot in Python with a focus on emotional intelligence.
- Trained it using a movie dataset to understand diverse human emotions.
- Analyzed its responses to improve emotional and conversational depth.

Skills: Python (Language), Machine Learning, Data Analysis

Publication

Akter, J., Alo, A., Nitu, S. S., Mannan, M. M. R., & Islam, M. N. (2025). "Severity Prediction of Parkinson Disease with Machine Learning and Explainable AI." Machine Intelligence and Emerging Technologies (LNNS, vol. 1242), Springer. DOI: 10.1007/978-981-96-2721-9_1.

Certification

Cyber Security and Ethical Hacking, Arena Web Security 2025
IELTS Academic - Overall Band 7.0

Projects

- Customer Churn Prediction – Python, Machine Learning
- Hall Management System - HTML, CSS, JS, PHP, MySQL
- Airlines Website (Frontend) - HTML, CSS, JS, Bootstrap
- Event Management Agency Website - HTML, CSS, JS, Bootstrap
- Ecommerce Website (Frontend) – HTML, CSS, JS, Bootstrap
- Frequency Shift Keying (FSK) Modulation - Simulation using Multisim & Hardware Implementation
- Class scheduling with Mini zinc
- Food Delivery Platform using PDDL

Technical Skills

- **Language** - C, C++, Python
- **Web Development** – HTML, CSS, JS, PHP, Bootstrap, MySQL
- **Software & Library** - Cisco Packet Tracer, MATLAB, emu 8086, Sui prolog, Multisim, Tableau, Trello, Jira

Language

Bangla: Native | English: Fluent | German: Basic

Volunteer Work and Affiliations

- **Publication and Promotion, BUP Robotics Club** 2020-2024
- Participated in National tech carnival "**Traction 2020**" organized by Robotics club of BRAC University
- **Cyber Invasion'25 – Capture The Flag (CTF) Competition** 2025
Ranked approximately within top 150 among 726 participants in the preliminary round
